

PATHWAY TO LOCKLIN

Locklin Tech is an option available to junior and senior high school students looking for vocational training with a variety of programs from which to choose. If a student chooses to attend Locklin Tech, they would take 3 classes at Pace High School and 3 classes at Locklin each day. In order to prepare to attend Locklin, a student should begin planning as a freshman to meet graduation requirements. A typical pathway that would allow a student to attend Locklin both Junior and Senior years might look like this:

Freshman

English

Math

Science

Social Studies

HOPE

Practical/Performing Art Class

Sophomore

English

Math

Science

Social Studies

2 Electives

Junior

English

Math

Science

Locklin (3 Classes)

Senior

English

Math

Social Studies

Locklin (3 Classes)
